“ My maiden name was Dunwiddie. I graduated from PHHS with Troy. We were in Spanish class together, so I always called him "Allano", and he called me "Elisa" when we would run into eachother. I was very sorry to hear about Troy\'s death, and wanted to express my sympathy. He was a very nice person. Sincerely, Lori Dunwiddie Eppert

“ Troy was my second cousin, but closer in age to me as a first cousin would be. I have many more fun memories of being together with him at family get togethers when we were younger and I really enjoyed spending time with him when we got older, although it was not as often. He will be missed. My deepest love and sympathy to Carolyn and Gary...you are in my prayers.

“ Troy is our second cousin. We have many good memories of being with Troy at family get-togethers. I was only 9 years old when Troy was born, so we actually had alot of fun when we would visit Pendleton/Anderson. We will miss him tremendously and will pray for Gary and Carolyn and everyone else.

“ I am Misty Delph. Troy is my first cousin on my mother's side and he is so understandably going to be missed....My fondest memories of him is when I was a little girl....He was so good with me, he also was quite a bit older than I was, so that made him sooooooo cool, he had the car, the look, the perfect girl, and the cool to go along with it...The death of him tears me apart, I will miss him something terrible. I love you, Troy.
