“ Dear Carey Family,

I valued the time I was allowed to spend caring for your mom. She was a special lady and I enjoyed our talks and looked forward to my shifts with her. She shared a birth date (day and year) with my own mom so that added a connection point as well. Due to Home Instead regulations I was not allowed to contact her but I thought of her and prayed for her often.

I am praying that you all feel God's comforting arms holding you close during this time and those in the future.
