PS

“ *Patty, Not sure if you will remember me but we were friends in Meadowbrook Elementary School, many moons ago, Peggy Tout, now Peggy Sweigart. I have thought of you often over the years, wondering how and where you were. I remember visits to your home way back then and always remember your mother checking on us to see what we were doing. I so sorry for your loss but I am sure your mother is still watching over you from Heaven just as she did here. My sympathy to your sisters also. Praying that fond memories will help you through this difficult time.*
