“ Vickie taught me how to cook cream puffs so I didn't have to wait till winter for concanons to make them. Glad she did, cause now concanons don't make them at all anymore. Spent a few dinners with Vickie & hubby Steve A fourth of July party that I won't forget just drinking beer and watching the parade. So sorry for your loss Steve, these memories I will always cherish. Prayers to all the Stenski family as they lost a great woman.

“ Vickie was such a sweet woman and good friend! I worked with her at BigLots many years ago, and we had the chance to become friends instead of just coworkers. I will always remember her for her clever stories and her delicious fudge! My deepest sympathy is to her family! Sincerely, Anna Short

“ I have a lot of good memories of Vickie, Steve and their girls. My mom worked with Steve at Arab for years when I was a teenager. We used to go boating and camping and fishing together. Mom and dad and them played cards a lot. Then after I was married, Vickie babysat my kids. So sorry for your loss sending hugs and prayers to the whole family.
