BF

“ He was one of my favorite cousins, he and I were only a year apart in age. Like many of the funny and cute King family members, Vic loved to tease! We all grew up, moved away, got busy with new lives and families and drifted apart, but I always cherished memories of fun times with Vic and hearing news of him and his family from my Mother and Daddy (Okre and Ada Craft)! I am sad that we lost touch and my heart aches for his family at the loss of their dear Dad. May he Rest In Peace, my prayers and love to the family. Brenda Craft Foldesi
