“ *When I joined the Army 30 years ago, Vic told me MPs only stand guard at gates and get wet. When I showed him a picture of me by my Military Police car, he was quick to reply, All the MPs he knew of stood at gates and got wet. Vic was truly an interesting man. Our prayers are with you in your time of loss.*

“ *Dear Ruth, Tom, and Bonnie, We sincerely hope that your sorrow flies away quickly and that all the fun, fond memories replace it. The last time we saw Vic was at Sandy's house he spoke German to Sven and me. And we've enjoyed our Christmas letter exchange since 1984. With deepest sympathy, Judy, Sven, Randy, and Emma*

“ *Victor was a customer of ours. His distinctive voice will surely be missed! He always remembered everyone's name and was always a joy to deal with. His patriotism was evident. If you dealt with Victor, you knew he was a man of his word. I know the Fireplace & Gas Center will miss him! Steven & Jason did the work in his home and both were sad to learn they would not see him next service call. He always had a story to tell and made their day lighter.*
