“ *At a young age I lost my grandma started going to church and found some amazing people and vicki was one of them! You taught me a lot that I wouldn't have learned without you. You taught me a lot about myself, friendship, and how to carry myself and deal with my attitude. You never know how much time you have left with someone and should spend it wisely. I'm going to miss you so much! My heart is broken and sad but I know you're watching over us all*
