“ *Sending our love, as you grieve the loss of a wonderful lady. She always had a smile or a kind hello when you would see her.*

“ *So sorry for your loss. Viola and I use to have some great conversations years ago when we both rode the City Bus - her to K-Mart and myself to uptown. It was always fun to talk with her. Sorry I can't be with you but I have my grandson on Wednesday. My thoughts and prayers will be with you. Always remember she may be gone but you have lots of memories.*

“ *Will forever miss my Aunt Viola...never knew my Grandma Martin but always knew she was just like her. The woman showed unconditional love for everyone. She had to do something no parent should endure by burying 3 of her children. She will be the most beautiful angel ever...I can see her soft wings and golden crown now. I love you Aunt Vi!*
