“ Over the last several weeks mom keep us informed as to your mom\'s condition. I would be working and think of some of the many things that I would remember from weekends at the lake and the many New Years Eve get to gethers that our families spent together. I know she was in pain and that helps soften the loss but it will be a great loss to you. But the memories of all the good things of her life are treasuries to cherish. I am glad that we had a chance to visit with her when we were in Anderson earlier this year. Love you all it would be fun to get together some time. Ron & Peggy Marsh
