“ Angela and I wanted to express our sympathy to Tony and Kris for Virgie's passing. We hope that through our care, we were able to give your family some extra time to spend with him. I enjoyed going to get him for his procedure and the warm, sweet smile that always greeted me. Take comfort in the care and support you gave to him.

“ I worked with Tom many years at Guide. He once worked for my father, who was a supervisor there many years ago. Tom always spoke highly of my father, and I thanked him for that. I saw Tom several times after he retired, and am saddened by his passing. It seems like only yesterday I was working side by side with him. May the Lord give you a sense of peace and comfort during this difficult time.

“ My heartfelt condolences go out to Tom's family. Steve and Tony may not remember way back when, living on 23rd street, but I was only about nine when my parents introduced me to your family. I later worked around Tom at G.M. and have enjoyed his friendship over the years. Again, my sympathy goes out to all Tom's family and friends. God Bless!
