“ Mom had the best sense of humor. I loved her smile and loved everything about her.
She was just a spicy mix of every type of personality. She was one of a kind!
She lives through me and my girls, as well as our granddaughters.
I hope to see her again someday.

*This is Mom's first daughter Denise
I know it has been going on for 22 years without mom. I will be 70 this Sept like her age. She was too young to depart from earth but I know she is very happy in beautiful heaven no more pain. I miss her more everyday. I'm ready to see her again one day soon. I looked back to my childhood, mom learned gestures of sign language to me before I went to school when I was 5 years old. She was very funny, laughed, had a great humor of sense. She was very caring mother to me and siblings.*

*See her one day soon.
Lots of love,
Denise*

“ Have known her since she was an infant, her sisters carrying her everywhere. I'm sure her family, who have gone before will be greeting her. I miss them all so much.
