“ Jennifer, Connie & the rest of the families... I want you to know what a pleasure it has been to get to know & take care of Virginia this past year! We made an instant connection even before I knew her relation to you two! My life is so much better because she was a part of it with her butterflies, bingo & red hat club! I can only hope I made the past year fun for her as well! I am truly sorry for your loss & will think of her often!
