“ *Virginia was a role model to all. She was kind, thoughtful, giving unconditional love and support to all her friends and family. She never had a cross word, never complained and never judged. If more people could be like Virginia, the world would be a better place. If God has a front row in Heaven for those on Earth who have led their Christian life by example and not just words, Virginia is sitting there front and center. R.I.P. With love Michele Daniels*

“ *I will always remember how loving Jenny was to all of us nieces and nephews. Growing up with Linda my sister Jean will always be great memories just as mom and Jenny taking us on walks green picking on the Brewer farm where all lived. She will be missed by all that knew her especially my mother Barbra Daniels her friend and sister in law. My heart goes out to all of you. Deanne Daniels.*
