“ So sorry to hear this ! Praying for you Mary and family , In these difficult times. “Saying farewell isn't something we do. Instead, I'll remark that I'm looking forward to seeing my friend again every time I hear a phrase about tractors , hear a tractor pull , or see a tractor hat that reminds me of Von. “Red hat” These are the things that will bind us together even after we die.” R.I.P. Sir . Thanks 🙏 for being a friend. You will be Missed.
