“ Aunt Kathleen was a favorite among favorites of my aunts. Her laugh was infectious causing everyone nearby to laugh as well. And she had what I call one of the "Riegle" characteristics of squinting her eyes closed when she laughed. She was always kind, pleasant, and fun to be with. I will miss her greatly...but I am so fortunate to have so many fun and fond memories of her to keep me company. Love to you Ginger and your family. Binnie
