“ I'm sorry to hear of Chip's passing. I knew Chip through my brother, Rick Whitton, that graduated a year earlier than Chip. We played a lot of basketball at our house across the street from Higbee's and beside Hall's house. RIP, Chip. Prayers to your family and I know your playing b-ball upstairs and feeling pretty darn good!

“ So sorry to hear of Chip's passing. I also knew his father. Chip had a lot to deal with in life, which was very difficult. He cared about other people. Chip loved his daughter, Sonja, and was very proud of her. He was also close to his aunt and uncle. He will be missed.

“ Chip, it's true that you had so much to deal with during your short time on this earth. But you were always so kind, so caring, and so funny too. I am sad that you are no longer here, but I know you are in a better place free from all the pain and suffering you had to endure. I always admired you and I shall keep your memory close to my heart. I'll miss you my friend.
