“ George and Evelyn Hemmingsen of St. Petersburg, Fl. express our sympathy and condolences to the family of Wayne Johnston. He was a wonderful Christian and friend. We remember when we had moved to Fl., Wayne would always stop to visit when he was in town. He would always bring his work coveralls and tool box and ask " pastor is there anything that needs to be worked on? " And when we would mention several areas he would proceed to do what needed to be done. Then he would take us out to dinner. Heaven is richer today because of Wayne Johnston. May the God of all comfort provide a grace and love in your hour of need. We love you all.

“ Dear Juanita and family, It was with deep sympathy that we learned that Wayne had died. We wanted to share a few thoughts about how much he affected our own lives and the life of the Arcadia Church of the Nazarene. It was always a pleasure to see him back in Arcadia for the winter. His warm Christian witness touched everyone. He was always faithful and was not ashamed to share Christ through his testimony and Christian walk. My family was blessed to know such a wonderful man of God. I'm thankful that because of our faith in Jesus we will someday see him again. I know you will miss him terribly and we will keep you in our thoughts and prayers. With much love and sympathy, Tim, Doris, John, Jason Twohig

“ Dear Family, We share with you our sorrow at Wayne's passing. We dearly loved him. We are thankful for the life he lived in Christ. As with my grandmother, this is the best legacy a person can leave behind. I Ronda can remember the many visits he would make to my grandpa. Before he would leave, he would have us join hands and he would pray for all of us. We will miss his sense of humor and his hugs. We love you all, Scott & Ronda.
