“ Wendy was my cousin on my dad’s side of the family. She was such a spunky. Fun loving person. A little bit of a Tomboy. I remember the riding bikes down the hill just above her home. Wendy and my brother, Homer Jr., had the best of times when we would go visit them, or when they came to Ohio to visit us. We were all neighbors at one time, in the hills of West Virginia, as well as here in Ohio. Wendy had the sweetest smile and the cutest dimples. I have a few drawings from our childhood, of her car drawings. For as long as I can remember, she loved cars. Wendy, I know we didn’t get to visit often enough, I hope you knew just how special you were to all of us. I will cherish all the memories we made. From playing football, bike riding, hill climbing, spooky stories, and all the love for family we shared. You will be missed. My prayers are with Aunt Maggie, your children, and the whole family. Sending you warm hugs. Always.

“ Wendy was my cousin on our Mom’s side.. just 4 months in our ages so we grew up together and lived close for years. So many memories of family reunions and playing in the creek in the holler. Some crazy antics and bickering but mostly just good memories and funny stories.. i loved her dearly and she will be missed immensely. Comfort, prayer and love to all❤️

I am so sorry to hear of Wendy's passing. She was a wonderful, sweet, lady/girl, she could always make you laugh with her great sense of humor. I watched her play basketball ball for four years and then continue her education at Marshall. She is finally at peace now. My thoughts and prayers are with her family and friends 🙏❤️ Rest In Peace Wendy.
