“ *I have 49 years of memories but I would like everyone to know that when I said my vows and it say till death do we part. We might part in body but not in heart and soul*

“ *I knew Bill for almost 35 years and will miss his laughter and countless stories about Canada, his family and Mr. Hartman. His help throughout the years saved me thousands of dollars. One time Bill delivered heating oil to my home and I smacked him with a snowball. I ran back in the house and after filling the tank, he yelled that the fill pipe was cracked and oil was on the ground! I went outside and he smacked me with a snowball! I did get the chance to thank him for all his help a few months ago and will always be grateful he was a true friend.*

“ Bill there are so many memories I have of you, I can't put them all on here. Any time I needed something you were always there. We have become family from way back. It broke our hearts to lose you, but you are no longer in pain. Love you and miss you, until we meet again. Al
