“ Billy you were the first to make me a Grandma. Through the years I became your mama, gma, mema, and old lady. I listen when ever you wanted to talk about anything. I will always love and miss you. I will watch for you to come around the garage to talk or see if I have anything to drink. I LOVE YOU TOO THE MOON AND BACK.

“ I was fortunate to get to know Will through our reenacting unit 5/Kp GD over a decade. He was the kindest, most selfless person. Will was always ready to lend a hand and was a great mentor to new unit members. He will be missed but he certainly enriched the lives of everyone who ever met him.

“ My heartfelt and deepest sympathies to my co-worker, Will, his family, and our Thomas Docks family! 😭 You will be greatly missed, Sir. (He always exhibited genuine formality, hence the sir.) May you find peace in knowing that you are remembered as a gentle and kind man. ❤️ ☐

“ Hi bub. I've been struggling with what I'd want to say. So here it goes. You made me Aunt. Then YOU named me. You were the kindest, loving, sweet boy. I watched you grow and grow and grow and become a man. You will always be baby Billy to me. And I will ALWAYS be your crackhead Aunt Nene. Forever. I love you

“Hey brother, you changed my life, and parts of my heart that I thought were hardened. You had an unmatched kindness and radiated love and brought joy wherever you went. Forever will this world have a void that can never be filled now that you've left. I love you so much, and I will spend the rest of my life missing you and telling everyone what a wonderful friend and brother you were to me, even and especially when I didn't deserved it. Thank you for all of the memories we made together, for always being kind and forgiving, and for talking me out of doing something I'd regret, and for coming to my rescue when I really needed a friend. You truly embodied what unconditional love is supposed to be. I'll see you again someday, until then Wild Bill.

“So much has changed in my life since you were in it, but the time spent with you in childhood was very foundational. You were one of my closest friends and very dear to me. I only wish we could have reconnected. May you rest in peace, my friend.
