“ *Peggy,*

I was stunned to read about Ted's passing. Ted was truly one of my favorite people. It was such a pleasure the day he brought you to my former employer, Mustin Builders, so I could meet you as I had heard so many lovely comments & stories of you & your family. Ted & your family will always have a special place in my heart. May God bless you & your family.

Sincerely,

Pam Myers

“ *Peggy and family, Ted was one of the greatest people I have ever met. I never had the opportunity to meet all of you but knew Ted well through Indiana North District Optimist. He did a wonderful job as our governor but loved his family and talked about you all frequently. I'm blessed to have known Ted and will truly miss him. May God continue to give you the strength during this time of great loss and in the future. Karyn & Larry Gilly*
