“ *Today we begin the process of celebrating the life of the greatest man I have ever known. He was loved by many and will be missed by all. Devoted and loving husband, caring and committed dad and grandpa. I will miss you dad and all of our great talks. Through hard times and great times in my life you were always there by choice. I love you, John (Tony) DeWitt*

“ I always loved going to uncle Bill and aunt Carolyn's house. They were so happy and so good to my mom and us kids. They were very giving. I have a cookie jar he made for my mom. I just loved it, so she gave it to me. I've moved that jar to three different states and it is still perfect after 30 years. I'm attaching a picture of his handy work! He was a good man and will be missed by many. Though my heart breaks for his family, I know he is in good hands. I could not come up, but you are all in my thoughts and prayers. My condolences John, Janice, and Wendell and families.

Blessings,
