“ *Uncle William had a wonderful sense of humor! He and Aunt Mary Alice were visiting Charlottesville and we were at my sister-in-law's home. Her young son's name is also William. She needed her son to sit at the dinner table, and said, "sit William!" Uncle William got a reprimanded look on his face and promptly sat down. He had perfect timing and it was so funny!*

Uncle William was my dad's big brother and my dad always cherished their conversations on the phone. We'll miss you Uncle William!
