“ I have known Bill for only a few years. However, it doesn't take years to realize that he was a very special person. I was aware of that the very first time we met. He made a deep impression on me that very first day. Every encounter since has been exactly the same. A man of his kind and thoughtful nature is indeed rare. My heart goes out to his Nearest and Dearest. I know how much he will be missed. I feel like I should be able to find some words to make things better for those that stay behind. There are no words that sufficiently express my sorrow. The loss of a Husband, Father, Grand Father, Brother or Dear Friend leaves us all with a feeling that something is missing in our lives. The only consolation is in our memories of the good times we have all enjoyed with Bill. Those good memories will be with me forever. I will miss my Dear Friend.

“ Good Bye grandpa I will miss you!! My grandpa always had a new story and a piece of candy or a toy at the breakfast table when he visited. He was a loving, caring man and and a fun grandpa. I will always remember the story of the snake so big he ate himself! I love passing the stories to my own kids so they can understand a part of him. I know he will be watching from above and laugh the way he does when they are amazed with the two little blackbirds. I love you grandpa. Love, Heather, Patrick, Ashlee, Jacob, and Emma

“ My grandfather will always hold loving memories in my heart. I know he will be watching over his loved ones and smiling down on each of us with that wonderful, warm smile of his. I will miss all of his entertaining stories at dinnertime, and will be sure to pass them on to my children to see the smiles on their faces as I did when I was young. I love you grandpa ALWAYS AND FOREVER!!!

“ *Bill is a true gentleman, dedicated provider, honest businessman, patriotic American, great friend, and superb bridge player. I hope he is having a glass of B.I.C., shouting "school's out" and holding a 35 point no-trump hand. I will miss him.*
