“ *I recall bill as a really happy guy with an easy smile and laugh. When I was just a young kid, Bill and Jane let me into their cribbage games that lasted long into the night. These fueled by big laughs, fun, cigarettes, and really black strong coffee (These, excepting for the laughs, were for the grown-ups and not me) I recall that Bill was good at most anything he put his hand to. I am sorry for your loss.*
