“ Hey Pepaw. Still Clayton. I changed my name in your honor. I miss you. I'm 13 years old now, can you believe it? My mom misses you, very much. She always thinks about that time you called her the day before her birthday and said and she told you her birthday was tomorrow and you said "Well, happy day before your birthday!". She's always so sad. I love you. Why'd you have to go so soon. Its going to have been 13 years this year. I'm almost 14. Please, give me a sign you're here with me. I love you.

“ Hey Pepaw, it's Clayton. I'm 11 now! I hope your okay. I miss you! I'm in school right now! Mr. Bourke allowed me to write this! It's good to write this. Every time I see a Cardinal I think of you. Still rooting on the Cardinal's for you! I'll always miss you! Give great Nana a hug for me! Also one for Great Grandpa. Speaking of Nana is doing well. When I'm old enough I'm changing my name to "Clayton William Foster" For you! Plus I don't like being a Hunter really. I love you. Bye.

“ My heart aches for you girls. Your father was such a wonderful and caring person. I will miss his humor and smile, but he lives on through the two of you. I love you both and my thoughts are with you.
