“ My condolences and prayers for the William Douglas Harvey family. I've never met another family of such great character and love as the Harvey family. Your family has brought and gave me so many wonderful memories. I cherish many of those memories in conversations with your father. One thing I am certain of is , he Loved his family so very much that I don't think there are enough words to even begin to describe the depth of his love. Everytime he would speak of any of his children, you could see how much pride and joy you brought to his life. If only you store up in a jar, the long forgotten qualities of unity and love of family that Douglas built his families legacy on, and to be able to share that with this broken world, just imagine how much less hate and disconnect between so many of our loved ones there would possibly be. I'm so sorry I was unable to attend the services for my dear friend , and just know brother , how blessed I have been to know you and your fabulous, wonderful family. Thank you for sharing them. All my Love to mother Barbara Harvey and that she would find the peace and comfort beyond all understanding that only our Lord Jesus Christ can provide. Blessings, love and hugs to all my Harvey brothers and sisters and families. Thank you Theresa for the precious video of your dad singing the White Cliffs of Dover. So Awesome!
