“ Bill, You are such a kind,good, person with a big heart! I will miss you and the times I had being a part of your life,and providing you the care and love I have for you. You always had a funny joke to tell me,and I enjoyed the times setting with you and listening to your past memories in which always put a smile on my face. I know you told me to be happy when you leave us,but my heart hurts....however, you are safe now,and no longer in pain. R.I.P love you,and miss you Bill.
