“ Uncle Bill was one of my very favorite people. At the age of three i remember him taking me on a walk in Lincolnville to the schhol to play on swing in school yard then going back to store and setting on bench outside eating ice cream cone. I was the flower girl in his and Aunt Chris's wedding. I have so many special memories of time spent at their house. He was one of a kind and I will never forget the friendship we have always had.
