“ I will always remember my step-great-grandfather and the fun times that we spent together. When he came to visit, we played aggrivation and ate at the Pizza Shack. I'll always remember the lamp that he made me from a flower pot! I'm also very thankful that he didn't let anyone tell him what to do. Some of you may understand what I'm talking about.

“ Aunt Margie, I am so sorry to hear about Uncle William. It was a great shock to mother and I. I am so sorry we could not be there for you earlier. I had great respect for Uncle William, and enjoyed all our talks on the phone. I just wish I could have got to know him alot sooner than I did. My sincere sympathies go out to you and your family. Love Debbie The daughter of Georganna Knotts Whisler

“ William is my grandfather. I will always remember his love for his family and God. He was the best grandfather a grandchild could ask for. At family get togethers he would make his way around to everyone there talking to them and hugging them. Then he would watch his family spend time together. He treasured these times with his family.
