“ Dear Bonnie and family -- you have Alan's and my deepest sympathy in this tragic loss. Alan worked in Plt 17 with Billy -- 1701 - - he was reminiscing this morning about how he, Billy, Tom Austin, Dave Wallen, and Phil Shuckers used to all ride their motorcycles down to Indy to get WhiteCastles a long, long time ago -- sometimes even in the winter. I remember Alan telling me about your lovely home in Pendleton -- and all the good times everyone shared in Plt 17. We know how terribly painful and gut-wrenching the loss of a loved one is -- and just know that so many people have fond memories of your husband -- God's holy spirit will dwell with you now and into the days of lonesomeness -- Billy is now enjoying what we all hope to achieve -- our little place beside God in heaven -- and in time, you will come to realize that Billy is much better off than we are -- because we are left behind to pick up all the broken pieces -- and that God is right now piecing your heart back together -- even though it will never be the same heart -- it never-the-less will be a very unique heart --able to withstand anything now. You have our deepest sympathy.
