“ We would like to express our sympathy to the family. Bruce remembers Dr. Patterson when he had him as an Anesthesiologist for his hernia surgeries at St. John's Hospital in December 1957 and August 1958. He administered either, and Bruce said it was terrible and got sick from it. When Bruce had his second Hernia surgery in August 1958 and Dr. Patterson was starting to give him the either, Bruce told him that he didn't want that stuff. But Dr. Patterson gave it anyway.

“ Dear Sue,  
Very sorry for the loss of your Dad. He was a pleasure to work with in Surgery. He was always calm and comforting to the patients. And he never threw charges away in the trash. Hope you are okay.  
Sincerely, Lynda James
