“ I met Wyllys and Miriam when they called me to sell their home in Torrington. They were a delightful couple. After they moved to Indiana, I have corresponded with Wyllys on a regular basis. I was always amazed that he would write me two page letters in LONGHAND and they would always make me laugh. He had such a wonderful sense of humor. My condolences to all of you - he was a wonderful man. I will miss hearing from him. Sincerely, Linda Moore
