“ *Deepest sympathy to the family of Mr. Yip. A group of co-workers and I discovered Yip's Chopstick House in Anderson shortly after they opened, and it became a personal favorite of ours! We got to know the family, and enjoyed seeing them as often as possible. (Absolute BEST Won Ton soup in the universe!) After we moved to Oklahoma, we always made a trip (or two!) to Yip's whenever we were back in town, bringing friends and family along. Mr. Yip was always busy making delicious food, but we'd say hi to each other every time. Hoping to see Sami over the upcoming holidays.*
