“ Zach is one of the only people that has known me my entire life. I grew up with him, and I am very proud to call him my bubby. We were never officially brother and sister, but just because it wasn't official doesn't mean that it wasn't true. I love you bubby. Psalms:149:3 "Let them praise His name with dancing; and make music unto Him with tambourine and harp."

“ I am so sorry for your loss. I am glad I had the chance to meet some one like Zack. I remeber the time me Jocelyn and Zack all went out to Pizza Hut. He was so full of energy while we were there he told me how good his grandmas cooking was and how well she cooked. He told me how well him and his grandpa got along and how much he loved both of them. We started talking about cars and he told me that he always wanted to fix up a older car. Me and him just clicked the minute we started talking I considered him my friend form that night on and I will always consider him a friend. You should have seen the look in his eyes when he would talk about Jocelyn you could tell that they were meant for one another. They were together all the time. I think the thing that I liked most about him was that he was a caring person and was always ready to go and full of energy. I am sorry that you lost some one so great like Zack my paryers are with all of you and Jocelyn and if you ever need any one to talk to I am here for you.
