“ *Though we never met Zayden I see how much you was loved by the people around you and your parents! I followed your on Facebook as you was getting to know her from the inside ! She was happy as was your father always posting something about you. Watch over them Zayden the next few days let the wind blow kisses to them from you! Let them feel your hugs as they hold each other ! And certainly let the hold on to the memories and embrace the tear stain pillows as you hug their hearts! You take care up their and watch over all of us down here!*
